

THE REPUBLIC OF UGANDA

MINISTRY OF AGRICULTURE, ANIMAL INDUSTRY AND FISHERIES

SUMMARY REPORT

JOINT AGRICULTURAL SECTOR ANNUAL REVIEW (JASAR)

Held on the
28th & 29th August 2018

At
Commonwealth Resort Hotel, Munyonyo, Kampala

THEME:

**“Building resilience to climate change
effects to enhance agricultural productivity”**

Table of Contents

1.0	Introduction	3
2.0	Objectives of the 8th JASAR	3
2.1	Primary Objectives	4

5.0	Action Plan	9

List of Acronyms

ACF	Agriculture Credit Facility
ASSP	Agriculture Sector Strategic Plan
ATI	Agricultural Training Institute
BFP	Budget Framework Paper
BMAU	Budget Monitoring and Accountability Unit
CAPD	Commissioner Agriculture Planning Department
CSO	Civil Society Organizations
DAES	Directorate of Agricultural Extension Services
DCR	Directorate of Crop Resources
DDA	Dairy Development Authority
FSSP	Fisheries Subsector Strategic Plan
FY	Financial Year
GAPR	Government Annual Performance Review
GHAPR	Government Half Annual Performance Review
JASAR	Joint Agriculture Sector Annual Review
LG	Local Government
M&E	Monitoring and Evaluation
MAAIF	Ministry of Agriculture Animal Industry and Fisheries
MoFPED	Ministry of Finance Planning and Economic Development
MoPS	Ministry of Public Service
NAADS	National Agricultural Advisory Services
NARO	National Agricultural Research Organization
OWC	Operation Wealth Creation
PSFU	Private Sector Foundation of Uganda

1.0 INTRODUCTION

The Joint Agricultural Sector Annual Review (JASAR) is an accountability event agreed upon by the Africa Union (AU) and provided for in the Comprehensive African Agricultural Development Programme (CAADP), National Development Plan II (NDPII) and Agricultural Sector Strategic Plan (ASSP). The Ministry has been organizing Joint Agricultural Sector Annual Reviews (JASARs) since 2011. In collaboration with Development partners, MAAIF held the 8th JASAR at Speke Resort Munyonyo from the 28th -29th August, 2018. The theme for this JASAR was “Building resilience to climate change effects to enhance agricultural productivity”. The workshop was attended by a total of 266 participants that consisted of representatives from Parliament, relevant Ministries and Agencies of Government, Development Partners, Civil Society Organizations, Local Governments (LGs), Farmers’ Organizations, Private Sector, the Media and staff of MAAIF and its Agencies (annex I).

2.0 Objectives of the 8th JASAR

2.1 The primary objectives of the JASAR were;

- To review the performance of the agriculture sector for FY 2017/18 against targets, actions and indicators set out in the Ministerial Policy Statement (MPS) for FY 2017/18
- To make proposals for moving the agriculture sector forward.

2.2 The specific objectives of JASAR 2018 were to:

- Create a platform for stakeholders in the agriculture sector to review the sector performance
- Assess the progress of implementation of sector priorities for FY 2017/18 as set out in the MPS and sector BFP including challenges & lessons learned.
- Assess the trends in overall sector performance based on relevant SDGs, the NDPs and the ASSP indicators
- Assess sector public financing for FY 2017/18.
- Assess progress made towards the agreed actions for the JASAR 2017
- Appraise the stakeholders on the sector priorities for 2018/19 and identify priorities for FY 2019/20
- Provide recommendations for increased effectiveness and efficiency in sector performance

The key output from the JASAR was the aide memoire which included a record of agreed actions/undertakings to be implemented in the 2019-2020 financial year.

To achieve the above objectives, there were presentations made from different speakers, followed by parallel sessional discussions in groups and finally, plenary to generate agreed actions.

3.0 Review Process

The process climaxed in a 2 day non residential workshop in which nine (9) presentations including one on implementation status of the JASAR 2017 agreed actions were made. At the end of each session there were reactions and discussions. Furthermore, a presentation on agreed issues and recommendations from the regional JASAR workshop 2018 which was held in Mbale was made. The presentations covered the areas listed below;

- An overview of JASAR 2018
- Overview of the Sector performance for FY 2017/18
- Performance on agreed actions for JASAR 2017
- Drivers of Agricultural Productivity Growth in Uganda
- Forecast-Future of Food Security in Uganda
- Issues and recommendations from the regional JASAR workshop
- Building resilience to climate change effects to enhance agricultural productivity
- Improving agricultural sector competitiveness and unlocking opportunities
- Multi-sectoral Approach to JASAR-CAADP Requirement

On day 2, participants went to 6 different groups to discuss the thematic areas in parallel sessions. These were:

- Group 1. Productivity:
- Group 2. Marketing:
- Group 3. Agricultural Infrastructure:
- Group 4. Agriculture Finance:
- Group 5. Knowledge:
- Group 6. Regulation and certification

This was followed by a plenary session that involved presentation of identified key issues by selected presenters. This formed the basis for identification of agreed actions that would comprise the Aide Memoire for the JASAR 2018. The issues identified are captured below.

The review workshop was officially opened by the sector Minister, Hon. Vincent Bamulangaki Sempijja who thanked participants for coming for the meeting. He gave an overall overview of the agricultural sector with key challenges and priorities for 2019/2020. Prominent among his highlights, he emphasized the conducting of JASAR as a mandatory obligation under CAADP and elaborated the importance of JASAR and the plans for development of agriculture. He finally, thanked all stakeholders for the work done so far and asked all stakeholders to work with private sector because it is key for success. Finally, the Minister declared the workshop open.

It was closed by the Hon. Minister of State for Agriculture on 29th August 2018. He thanked all categories of participants for honoring the invitation and participating in JASAR 2018. He accordingly, informed members of the mission of MAAIF as to transform agriculture from subsistence to commercial and said the review is in furtherance of the mission. He noted that extensive discussions of presentations on challenges in agriculture had been done and proposed solutions identified. He further informed members that the ministry will continue to strengthen research, ensure quality inputs, extension to control pests, support irrigation, agro-processing, develop agriculture through farmer organization and cooperatives by consolidating achievements.

The following are the issues that were raised by participants during discussions in the plenary and parallel sessions:

A. Agricultural Productivity

- 4.1 Limited resources to facilitate service delivery at the district local governments.
- 4.2 Limited knowledge and awareness about the National Organic Fertilizer Policy Lack of awareness on NAO Policy
- 4.3 Weak research-farmer Linkage leading to low adoption of generated technologies.
- 4.4 Limited extension and advisory service to the farmers
- 4.5 Poor Soil Management and lack of soil fertility analysis
- 4.6 Limited information on the availability of the improved technologies
- 4.7 Lack of guidance by extension workers on what to grow and in which quantities

B. Marketing:

- 4.8 Inadequate market information and agricultural data.
- 4.9 Lack of organized farmer groups affects marketing and procurement of quality farm inputs.
- 4.10 Poor coordination among all stakeholders and key Government MDAs especially on disease control, marketing and promotional activities
- 4.11 Limited value addition and branding of Uganda's top Agricultural Commodities leading to loss of product identity and lower market prices
- 4.12 Unstructured markets: More so are informal markets where neighboring countries buy directly from farmers causing price distortions
- 4.13 Poor produce storage facility around the country

C. Agriculture Finance

- 4.12 There is no agriculture financing policy and strategy to guide agricultural financing
- 4.13 The Agriculture Credit Facility is not accessible to most of the agricultural value chain actors
- 4.14 The establishment of the Agriculture Bank is long overdue

D. Knowledge:

- 4.15 Lack of practical agriculture training
- 4.16 Neglect of indigenous knowledge especially on preservation of crop/animal varieties
- 4.17 No user friendly agricultural messages: Most information is in hard forms and not easily accessible by the youths

E. Regulation and certification

- 4.18 Poor Certification and Inspection Infrastructure
- 4.19 Low capacity levels in inspection (in terms of manpower, transportation, and facilitation)
- 4.20 Poor diseases surveillance, control and management
- 4.21 Weak capacity for effective enforcement and regulation of the sector.

F. Agriculture infrastructure

- 4.22 Weak Producer organizations, as a core for sustainable agric. Infrastructure
- 4.23 Weak/Lack of infrastructure development, operation and maintenance capacity at all levels (National, Regional, District and community)
- 4.24 Limited funding for Districts for agricultural infrastructure (water for agricultural production, mechanization and storage)
- 4.25 Lack of regional technical support offices for water for agricultural production and mechanization
- 4.26 Lack of appropriate economic models for infrastructure investment

G. Policy , planning and support services

- 4.27 There are many pending policies, Bills, and Regulations
- 4.28 Some districts lack Ordinances and bylaws to enable them carry out enforcement of regulations
- 4.29 Inconsistence in policy implementation resulting from weak multi-sectoral approach to policy implementation
- 4.30 Lack of effective Private Sector Engagement in policy formulation and implementation.
- 4.31 No Gender Strategy: The current National Gender Policy is not formally mainstreamed in Agriculture
- 4.32 There is increasing dependence syndrome by farmers on freely distributed farm inputs by government
- 4.33 No transparent criteria for free seed distribution causing targeting challenges
- 4.34 Updated Agricultural Statistics is not readily available
- 4.35 Farmers and prospective agricultural investors lack guidance on the profitability of farming in Uganda
- 4.36 Poor Policy, Legal and Regulatory framework for Livestock Sector

5.0 Action Plan

Table 5.1: Agricultural Production

Issues	Agreed Action	Time-frame	Responsible Centre
Inadequate resourcing to the DLG (Ag production department) for effective service delivery.	Lobby Central Government for more funds Engage Private sector	FY 2018/19 Quarterly 2019-2020	Planning dept
Limited awareness on National Agriculture Organic Policy	Sensitization on NAO policy Make business case for NAO policy	Dec 2018	Planning, MAAIF
Weak Research - farmer Linkages and limited demand driven research	Strengthen linkage between research and adoption Training for specialized research	FY2019/20	NARO
Poor Soil Management and Lack of Soil Analysis Tools	Create awareness on integrated soil management, Undertake farm level delivery and analysis of soil	FY 2018/19 FY 2019/20	NAADS DAES, DAIMWAP
low extension Staff – farmer ratio still, low skills capacity among extension Staff	Recruit more Extension Service Staff, and enhance skills capacity of the existing ones. Steps should be taken to ensure that Extension Workers reside in districts they are posted;	FY 2019/20	MAAIF&DLGs
Lack of information on what and which quantity to plant by farmers	Conduct pre-season planning meeting with farmers for the purpose of planning production (This should be included in District Quarterly Report);	FY 2019/20	DPOs, DAES, M&E Division, Planning Department - MAAIF

Table 5.2: Agricultural Marketing

Issues	Agreed Action	Time-frame	Responsible Person
Market information and data gaps	Involve private sector in market information generation, Packaging and dissemination to create sustainable market information models	2-3 rd qtr 2018/19	MAAIF, MTIC
lack of organised farmer groups to support value addition and marketing	Prioritize completion of farmer and farmer groups and create linkages with other cooperatives.	2-3 rd qtr 2018/19	MAAIF
Weak coordination among key sector stakeholders	Strengthening joint planning and coordination between MAAIF, MTIC, MoFPED. Take advantage of Sector Working Groups.	2019/2020	MAAIF, MTIC, MoFPED.
Poor/no branding, value addition and prioritization of top Agricultural Commodities	The prioritization of Uganda's top Agricultural commodities in the NDP2 to guide the prioritizing in NDP3.	2-3 rd qtr 2018/19	NPA
Unstructured markets	Jointly work with relevant Gov't ministries like MAAIF and MTIC in the amending of the Public Private Partnership (PPP) Act 2015 to enforce the Buy Uganda Build Uganda (BUBU) policy in stimulating procurement in internal markets. Ministry of Trade should involve MAAIF in implementing the Uganda National Commodities exchange)	2-3 rd qtr 2018/19	MoFPED, MTIC
Poor produce storage facility around the country	MAAIF to liaise with the Uganda Grain Council for the purpose of addressing the challenges of storage and marketing of agricultural produces along the value chain, including developing mechanisms to address agricultural produce price stabilization	FY2018/19	CAIED

Table 5.3: Agricultural Finance

Issues	Agreed Action	Time-frame	Responsible Person
Agriculture Financing Policy is pending	National agriculture financing Policy and strategy must be finalized and implemented.		Ministry of finance, MAAIF, Ministry of Trade, Agriculture finance platform, Local government
ACF need restructuring to focus on value chain actors	Restructure Agriculture Credit Facility (ACF) to practically finance all agriculture value chain actors.	FY2019/20	Ministry of finance, MAAIF, Bank of Uganda CSOs, Local government, Agriculture finance platform
The establishment of Agriculture Bank is long overdue	Take the necessary steps to establish farmers' bank.	FY2019/20	Ministry of finance, MAAIF, Bank of Uganda and CSOs.

Table 5.4: Knowledge

Issues	Agreed Action	Time-frame	Responsible Person
Lack of practical agriculture training	Prioritize practical agricultural education for all people at all ages	FY2018/19	DAES - MAAIF
Neglect of indigenous knowledge	Promote action research and respect of indigenous knowledge	FY2018/19	NARO
Limited user friendly agricultural messages	Simplify messages and make them user-friendly for the targeted audience, including communicating in local languages	FY2018/19	Communication and PR unit of MAAIF

Table 5.5: Regulation and Certification

Issues	Agreed Action	Time-frame	Responsible Person
Poor Certification Infrastructure including accreditation of labs	Invest in regulatory and certification infrastructure (labs at nat. and reg. levels, holding grounds per district, quarantine stations including accreditation.	FY2019/20	MAAIF & DLGs
Low capacity levels in inspection	Enhance capacity of inspection and certification – equip with human resource, and equipment, working tools, transport, specialized training -	FY2018/19	MDAs, CSOs, MAAIF
Poor disease management	Enhance management of trade sensitive diseases and pests	FY2018/19	MAAIF
Weak capacity for effective enforcement and regulation of the sector.	Enact/enforce ordinances, Resource Ag Police, Shift oversight of Ag drugs and pesticides to MAAIF.	FY2018/19	MAAIF, OPM

Table 5.6: Agriculture Infrastructure

Issues	Agreed Action	Time-frame	Responsible Person
Weak Producer organizations, as a core for sustainable agric. Infrastructure	Form and strengthen Producer organizations, as a core for sustainable agric. Infrastructure	FY2018/19	DAES DAIMWAP
Weak/Lack of infrastructure development, operation and maintenance capacity at all levels (National, Regional, District and community)	Support capacity development at all levels (National, Regional, District and community)	FY2018/19	DAIMWAP
Limited funding for Districts for agricultural infrastructure	Conditional Funding for Districts for agricultural infrastructure (water for agricultural production, mechanization and storage)	FY2019/20	DAIMWAP

(water for agricultural production, mechanization and storage)			
Lack of regional technical support offices for water for agricultural production and mechanization	Establish and strengthen regional technical support offices for water for agricultural production and mechanization	FY2019/20	DAIMWAP
Lack of appropriate economic models for infrastructure investment	Develop appropriate economic models for infrastructure investment	FY2019/20	DAIMWAP

Table 5.7: Policy, Planning and Coordination

Issues	Agreed Action	Time-frame	Responsible Person
Many pending policies	Finalize (and implement) pending policy, regulations –	FY2019/20	Directorates of crop, animal, fisheries, extension, Planning/PAU
Districts lack Ordinances and bylaws to enforce	Support districts to enact ordinances and bylaws –	FY2019/20	MAAIF, DLGs,
Inconsistence in policy implementation resulting from weak multisectoral approach to policy implementation	MAAIF should lead multi-sectoral approaches with other ministries. Give policies time to work. Example of aflatoxin: agricultural production and post-harvest issue, affects health, limits trade	FY2019/20	MAAIF TPM
Lack of effective Private Sector Engagement in policy formulation and implementation.	Increase private sector engagement in policy formulation and implementation	2018/2019	MDAs/CSOs MAAIF, URA, UNBS

No Gender Strategy	Develop a gender strategy and action plan	FY2018/19	HRM and PAU
There is increasing dependence syndrome by farmers on freely distributed farm inputs by government	Systematically start on phasing out free input distribution and Adopt Kalangala VODP Model across the country beginning with coffee farming and production	FY 2019/20	PS, NAADS, OWC
No transparent criteria for free seed distribution causing targeting challenges	Streamline input/seed distribution, by setting up a clear and transparent criteria, targeting the most deserving farmers	FY 2018/19	NAADS/OWC
Updated Agricultural Statistics is not readily available	Allocate more funds toward agriculture routine data production. More so, working with Development Partners the Agricultural Census should be carried out urgently;	FY 2019/20	Planning Department – MAAIF, Development Partners
Farmers and prospective agricultural investors lack guidance on the profitability of farming in Uganda	Develop and recommend different Agriculture economic model and farm planning models appropriate to farmers and agricultural zones;	FY 2018/19	DAES, DAIMWAP Planning Dept - MAAIF
Poor Policy, Legal and Regulatory framework for Livestock Sector	Amend National Drug Act, and finalize the draft review of Veterinary Medicines Policy	FY 2018/19	DAR, PAU - MAAIF

**MINISTRY OF AGRICULTURE, ANIMAL INDUSTRY AND FISHERIES
PROGRAM FOR THE JASAR JOINT AGRICULTURAL SECTOR ANNUAL
REVIEW AT SPEKE MUNYONYO 28 & 29 AUGUST 2018**

*Theme: Building Resilience to Climate Change Effects to
Enhance Agricultural Productivity.*

DAY 1: MONDAY 27 AUGUST, 2018			
TIME	ACTIVITY	RESPONSIBLE	SESSION CHAIR
9:00am–4:00pm	Arrival and Pre-registration	Secretariat/QMS	
11:00 am	Team walk through Delivery of printed material		
DAY 2: TUESDAY 28 AUGUST, 2018			
7:00am-8:30am	Registration, Tea & Coffee served Videos <i>Senior level meeting USAID & GoU</i>	Secretariat/QMS/Hotel	Chairperson, Session committee on Agriculture
8:30am-8:50am	Overview of JASAR	Comm. Planning	
8:50am-9:30am	Welcome remarks and Overview of the Sector performance for FY 2017/18	Pius Wakabi Kasajja PS-MAAIF	
9:30am-10:00am	Official Opening	Hon. Vincent Bamulangaki Ssempija	
10:00am-10:10am	Statement by Development Partners	Chair: Agric. DPs Working Group	
10:10am – 10:20am	Statement by Private Sector	Gideon Badagawa PSFU	
10:20am – 10:30am	Statement by Non-State Actors	Agnes Kirabo FRA	
10:30am-11:00am	Group Photo and Plenary discussions	Comm. Team Mr. Batanda/Oketcho	
11:00am-11:40am	Presentation: Performance on Agreed Actions for JASAR 2017	AC/M&E	PS MAAIF
11:40am-12:20pm	Presentation: Findings of Status of Uganda Agriculture study	Nassul Kabunga IFPRI	
12:20pm-12:50pm	Presentation: Forecast: Quantification of the future status of Uganda agriculture.	Patrick Olowo National Planning Authority for Pardee Center	
12:50pm-2:00pm	Lunch	Hotel	
2:00pm-2:30pm	Plenary discussions	All	
2:30pm – 3:10pm	Presentation: Building Resilience to Climate Change Effects to	Mr. Steven Muwaya (Focal Point CSA)	ED PSFU

	Enhance Agricultural Productivity.		
3:40pm-4:00pm	Presentation: : Unlocking Opportunities in the Agricultural Sector and Improving competitiveness	Jaswinder Bedi - MD Bedi Investments Fine Spinners	
4:00pm-5:00pm	Plenary Discussion	All	
5:00pm	Coffee /Tea and Departure	Hotel	

PROGRAM FOR THE JASAR JOINT AGRICULTURAL SECTOR ANNUAL REVIEW AT SPEKE MUNYONYO 28 & 29 AUGUST 2018

*Theme: Building Resilience to Climate Change Effects to
Enhance Agricultural Productivity.*

DAY 3: WEDNESDAY 29TH AUGUST, 2018			
TIME	ACTIVITY	RESPONSIBLE	SESSION CHAIR
8:00am-8:45am	Registration of Participants	Secretariat	Representative CAOs
8:45am-9:00am	Recap of day 1 Explain about day 2	Rapporteur MC	
9:00am-9:40am	Presentation: Multi-sectoral Approach to JASAR - CAADP Requirement! Are we there? Review of Sector Strategic Plans for shared programs.	Mr Emmanuel Kimbowa, PE/M&E	
9:40am-10:00am	Presentation: Issues and recommendations from the regional JASAR workshops	DPMO Mbale	
10:00am- 12:30pm <i>Tea served in the rooms</i>	Group 1. Productivity: Group 2. Marketing: Group 3. Agricultural Infrastructure: Group 4. Agriculture Finance: Group 5. Knowledge: Group 6. Regulation and certification		Charles Ocici - Enterprise Uganda Victoria Ssekitooleko - Uganda Agribusiness Alliance Eng Kato Kayizi MAAIF Edward Katende- Uganda Ag Finance Platform Mr Paul Mwambu MAAIF
12:30pm- 1:30pm	Lunch	Hotel / Secretariat	
1:30pm-2:30pm	Group Presentations: Emerging Issues and Proposed Actions.	Chairs to present	Hon Robert Ndugwa Migadde, (MP)
2:30pm -3:30pm	Discussion and Adoption of Action Plans.	All	
3:30pm -4:00pm	Summary: What has transpired	Rapporteur	
4:00pm – 4:30pm	Closing Remarks	Minister MAAIF	

ATTENDANCE LIST FOR THE JOINT AGRICULTURAL SECTOR ANNUAL REVIEW 2018

NO.	NAME	DESIGNATION	INSTITUTION
Members of Parliamentary Committee on Agriculture			
1.	Vincent Ssempijja (Hon.)	Minister	MAAIF
2.	Christopher Kibanzanga (Hon.)	MOSA	MAAIF
